## a SYMMETRIC TRICK

I like symmetrical shapes. Symmetry is harmony.

But I am also fascinated by squaring the circle and I like to unite opposites.

A little trick turns the sideways-knitted classic into a symmetrical, isosceles triangle, while the long color gradient remains asymmetrical.

Yarn: Wollmeise Rolls  
 Color: MambaSamba

### MATERIALS

- 100 – 150 grams (400 – 600 meters) of yarn in fingering or light fingering with a long gradient
- 3 mm / US#2½ or 3.5 mm / US#4 (depending on chosen yarn) circular needle of min. 100 cm / 40 in length.

Gauge is not really important but will influence the size of the finished scarf.

*Have fun knitting!* 😊

### BEGINNING

Cast on 3 stitches using the cable-cast-on method (phototutorial on next page).

[RS] sl1, k to end.

[WS] k to 1 st before end, sl1.

### MAIN PART

4 × { [RS] co2, sl1, k to 3 sts before end, k2tog, k1. |+2, -1 M  
 [WS] k to 1 st before end, sl1.

1 × { [RS] co2, sl1, k to end. |+2 M  
 [WS] k to 1 st before end, sl1.

Repeat these ten rows until you have enough yarn for a minimum of two rows left.

### ELASTIC BIND-OFF

k1, [k1, slip both stitches back to the left needle and knit them together through the backloop] until all stitches are bound off.

*Enjoy wearing your »A symmetric trick«!*

### ABBREVIATIONS

<b>k</b>	knit
<b>co</b>	cast on (with the cable cast-on technique, see phototutorial on the last page)
<b>st/s</b>	stitch/es
<b>sl</b>	slip as if to purl with yarn in the back
<b>k2tog</b>	knit two stitches together
<b>[RS]</b>	right side
<b>[WS]</b>	wrong side

## PHOTOTUTORIAL: CABLE CAST-ON

Put yarn over the needle and hold the short end between middle and ring finger.

Pick up a stitch under the needle and at the left side of the yarn.

Put this stitch on the left needle without twisting it.

Insert needle between the first and the second stitch.

Pick up a new stitch.

Put this stitch on the left needle without twisting it.
